

IBA Centre for Excellence in Islamic Finance

SEMINAR

Fundamentals & Basics of Islamic Finance

Although the concept of Islamic Finance can be traced back 1,400 years, its recent history can be dated to the 1970s. It is now estimated that worldwide around US \$1 trillion of assets are managed under the rules of Islamic Finance.

This session will help students understand the basic principles revolving around Islamic Finance.

SPEAKER

Mr. Almir Colan

Director - Australian Centre for Islamic Finance (AusCif)
Director - Awqaf, Australia
