## Islamic banking system transparent *Economy moving in right direction due to govt policies: Dar*

**KARACHI:** Finance Minister Ishaq Dar says economy is moving in the right direction due to prudent policies of the government.

Addressing the World Islamic Finance Forum in Karachi on Monday, he said Prime Minister is taking keen interest in promotion of Islamic Banking and future strategy is required to be devised for Islamic banking.

The Finance Minister said

Islamic banking system is transparent and expressed the resolve that Islamic economic system will be spread across the country.

He said hurdles in the way of implementing Islamic banking are being removed.

Ishaq Dar said that the funding of projects being carried out under China-Pak Economic Corridor could also be made through Islamic banking. - NNI
